Annual High Bar Membership

1 Organize Documents

Personal dashboard tracks all your tasks and meetings. Seamlessly collaborate with fellow trustees and the organization's senior staff.

Institutional memory. BoardOnTrack's documents directory structures are designed specifically for the needs of charter school boards. The documents section lets you warehouse permanent board documents, working committee documents, and seamlessly archives meeting agendas, minutes, and materials. Everything stored here is backed up in multiple secure locations by The High Bar's web-based system.

2 Simplify Processes

Minimize your board logistics, and simplify your life. Access a unified calendar and scheduling tool. Create streamlined, web-based meeting agendas, packets and minutes. Comply with open meeting law requirements with the click of a button. Automate the "busy work" so you can focus on the strategic.

3 Learn Best Practice

Access 24/7 on-demand training. Search our entire resource library with templates, samples and expert guidance. No more reinventing the wheel.

Members Only Webinars. Join our regular webinars; participate in special online training institutes and walk-in clinics. Meet and learn from your peers across the country.

Monthly Virtual Coaching. Receive our monthly reminders of things your board should be focused on and targeted tools to help you seamlessly execute on them.

4 Assess Progress

Online assessment process will guide you to take stock of your board's strengths and areas that need improvement. And, will give you a clear picture of how your board compares to your peers nationwide. You'll receive suggested action steps based on your assessment results.

5 Train with Experts

4 in-depth custom coaching calls with charter school experts. Your expert will help you set quarterly board development goals and assist you with troubleshooting your unique issues.

6 Set and Achieve Goals

Annual Board & CEO Goals. We'll guide you through the development of a strategic set of annual goals. Enter these in our custom-built goals trackers and you can monitor progress and ensure group accountability in real-time.

7 Support and Evaluate CEO

Strengthen the Board-CEO Partnership. We'll equip you with tools, resources, processes and coaching to strengthen your partnership. Our self-guided, online tools will support your board through the implementation of an effective annual evaluation of the CEO's performance.

What You Get When You Join

Brilliant Software

We've custom-built BoardOnTrack for the very unique needs and workflows of charter public school boards. You'll be amazed how we've intuited your day-to-day and meeting-to-meeting needs. We've taken two decades of work in the trenches and turned it into software just for you.

Improved Teamwork

All levels of membership come with up to twenty users for free. So, sign up your full board and its support staff. You can even include your back-office service provider or other consultants.

Peace of Mind

We have worked with more than 500 charter school boards nationwide—more than any other individual or organization in the country. All of our tools, samples, solutions, and advice come from nearly two decades of real-world, on-the-ground experiences. So, you can follow our lead. We take the guesswork out of governance.

Amazing Training and Support

Our Member Success Team is devoted to getting your full board engaged and comfortable using BoardOnTrack. They will dazzle you with their lightning response time to any issue. Team High Bar is always just a click of a Help button away.

Don't Just Take Our Word for It

“ The Board is finally operating the way I want it to. They're effective, self-sustaining and everything doesn't have to go through me every time. ”

Malka Borrego, Executive Director
Equitas Academy

“ If you're looking for one thing that will accelerate the potential of your board, The High Bar is the system. ”

Rudy S. Walker, Board Chair
Veritas College Prep.

“ It makes things organizationally easier, takes the guesswork out and really cuts down on my personal time requirement. ”
