

Fund Development Report

- ▶ End of fiscal year annual campaign numbers: total donations through June 2014: \$260,878.15.
- ▶ July 2014 total received: \$3595.00 (please refer to Annual campaign monthly report for detailed information)
- ▶ Current initiatives and goals: 1. increasing overall participation and annual campaign goal to \$200,000 from \$165,000 2. educating new families about the ANCS funding structure and the importance of supporting the auction and annual campaign. 3. creating new materials for the campaign. 4. finalizing auction committee chairs

Current activities:

- ▶ Creating and distributing material with a simple outline of ANCS funding structure for the “State of the School” meeting.
- ▶ Setting up a new “annual campaign goals” board at both campuses with \$200,000 goal and participation percentage category.
- ▶ Organizing a Fund Development social for September
- ▶ Creating materials and planning annual campaign kick off for September
- ▶ Finalizing auction date and location: Georgia Freight Depot tentatively booked for March 7

Grant-seeking activities:

- ▶ Grants update: ANCS was invited to submit a final application for the U.S. DOE "Investing in Innovation" (i3) grant program. The submitted application for a project called "Collaboration and Reflection to Enhance Atlanta Education" (CREATE) would expand the new teacher training partnership with Georgia State into other APS schools and with a focus on math and science. The request is for \$3 million in funding over four years.
