

2019-2020 ANCS PTCA Membership Form

The ANCS Parent Teacher Community Association (PTCA) needs your involvement to be successful and help make the ANCS experience such a special one. Your membership dues and extra contributions help fund PTCA grants, programs, and materials, and also helps PTCA keep our events as affordable as possible for all families. To join, please complete this form and submit your payment online, by cash or by check (be made out to ANCS).

PTCA membership is open to parents/guardians, teachers and staff, and the community.

The PTCA also produces the yearbook and the annual field day shirts as well and we would appreciate financial assistance to recover the printing and production costs. Please consider donating the cost of an additional shirt or yearbook for students whose families need assistance with this expense.

All payments are non-refundable. Thank you for your support!
