HEY HORSE! Did you hear about that new enrichment program?

You mean that compost pile you've been working on **LIL' CHICKIN?**

No, silly. I heard that Amy Handler (the Creative Movement teacher & radio show host) and Katherine Moore (the Music Class instructor & music educator) are teaming up again for an after school enrichment class at ANCS.

And they will sing, dance and create all year long - a **REAL PERFORMING TROUPE!** even go out into the community to perform and spread the word about "real food" and making healthy choices ! Like at Farmers Market and such!

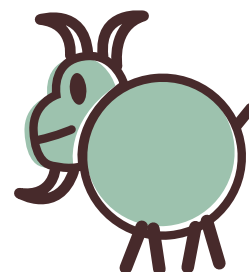

Well, I heard it was for 1st - 5th graders and that they should bring a real dedication to perform! Do you know any divas or dudes, **FARMER GOAT?**

I'll bet we can muster up a couple. Hope they like healthy snacks, because that's just what Mother Hen will be serving them. Tasty!

Is your little performer ready to take their love of theatre to the next level?

Creative Movement Teacher, Amy Handler and Music Educator, Katherine Moore will lead a select group of performers as they build a repertoire of song, dance and skits surrounding the Farm Grub Revue music CD and storybooks. The performers will hone their skills in class and through community performances at Farmers Markets, Festivals and other events!

Classes will incorporate healthy habit building skills and encourage performers to make good food choices and stay active. Mother Hen, Leslie Grant will be providing a healthy snack at the beginning of each class.

*No experience IS necessary - just a love of dance, song and silliness – but a desire to perform is encouraged.
