

Charter Renewal & Attendance Zones

Reminder of Key Background Issues:

- ▶ The elementary and middle campus attendance zones are not currently the same—they remain as they have been since the start of each campus.
- ▶ Charter school regulations have changed and will now require, as a part of our charter renewal, that the attendance zone(s) be the same for the entire school.
- ▶ Any changes to the school's attendance zones would take effect starting with the 2016–17 school year.
- ▶ Initial possible options were presented at January 2015 board meeting

- ▶ K-8 LT will bring recommendation to board for consideration at April 2015 board meeting
