

**Ryan Camp** has been a parent at ANCS since 2007. His older son graduated from ANCS and he is currently the father of an ANCS 2nd grader. Ryan has been an active volunteer at ANCS (and the Summer Shade festival) and currently serves as a community representative on the Business Operations Committee. In his work life Ryan is a Senior Manager of Distribution Analytics for Cricket Wireless, a unit of AT&T, where he provides reporting and analysis of financial, marketing, and operational data. Ryan holds B.S. and M.S. degrees from Auburn University. According to Ryan, he is interested in serving on the ANCS Board because "ANCS has done so much for my children and my family over the years and is such an integral part of creating and promoting the community that I love, that if there is anything that I can do to serve ANCS I will do it to the best of my ability". Probable committee assignment: Chair, Business Operations Committee.

**Dr. Tiffany Mitchell** holds Bachelor's degrees from both Howard University and Georgia State University, where she graduated *magna cum laude*. She also earned her M.A., *magna cum laude*, in Curriculum Instruction from Central Michigan University and her Specialist, *magna cum laude*, and Doctorate in Education, Curriculum, and Instructional Leadership from Argosy University. She is currently a classroom teacher at Inman Middle School, where she has taught since 2005, as well as an adjunct professor at Atlanta Metropolitan State College. She was honored as one of *Rolling Out's* Top 25 Women of Atlanta in 2014, is a cofounder of ATL READ, and an active volunteer and leader of Links, Incorporated. Tiffany is the mother of two pre-school age daughters, and looks forward to serving on the ANCS Board because "each student represents tomorrow and she believes her talents and educational background will perpetuate ANCS' mission". Probable committee assignment: Accountability & Compliance, focused on Academic Excellence.

**Philippe Pellerin** is a Grant Park resident with a long history of volunteer work in both Grant Park and Peoplestown, his previous neighborhood. He has served as a volunteer and/or Board member at Druid Hills Child Development Center, Peoplestown Neighborhood Association, GSU Real Estate Advisory Group, and the Stadium Neighborhoods Tax Allocation District. He has extensive fund raising, advocacy, and financial management experience. Philippe is the Principal of Philippe J. Pellerin Real Estate Services LLC, a Grant Park-based diversified real estate company that develops commercial and residential real estate projects. His company focuses on projects improving intown neighborhoods including Grant Park, Peoplestown, Summerhill, and Mechanicsville. Philippe graduated from Florida International University and also earned his Master's in Real Estate from Georgia State University. He is the father of a rising Kindergartener. According to Philippe, he is interested in serving on the ANCS Board because of his passion for keeping old structures vibrant and contributing to the continued improvement of Atlanta's Southern Neighborhoods within NPU-V and NPU-W. Probable committee assignment: Business Operations Committee representative, focused on facilities management.

**Dr. Tara Stoinski** lives in Ormewood Park and is the mother of two elementary-age girls who currently attend Wesley International Academy. Tara holds a Bachelor's Degree from Tufts University, a Master's of Science from Oxford University (England), and a Ph.D. from the Georgia Institute of Technology. Tara has been a local scientist for more than 20 years, working at Zoo Atlanta and the Dian Fossey Gorilla Fund, where she currently serves as its President, CEO, and Chief Scientific Officer. Tara also has extensive volunteer and leadership experience with several national organizations related to the conservation and well being of great apes and other primates, including the American Association of Zoos and Aquariums, the Program Committee of the American Society of Primatologists, and the Education Committee for the International Society of Primatologists. She also has extensive grant writing, fundraising, and public speaking experience, as well as the financial and management skills that come from running a 150-employee nonprofit organization. Tara is excited to serve on the Board of ANCS, stating that "As a scientist and through my work with informal learning centers like Zoo Atlanta, I see the value of a solid educational footing, inquiry based learning, and a love of exploration on a daily basis. I am very excited to work with the ANCS community to help foster such experiences and hopefully create a lifelong passion for learning.". Probable committee assignment: Fund Development.
