

PTCA Board Report
December 12, 2011

School Photos:

As we did last year, the PTCA worked with photographer Christine Gallagher to do a school photo fundraiser for the Elementary School. Total funds collected were \$8956, with 25% profit (\$2,239) going to the PTCA.

PTCA Wreath Auction:

For the 3rd year in a row, the Middle School hosted the holiday wreath auction. Each advisory was responsible for coming up with a theme that embraces the season. The silent auction was held during Arts Night on December 6. There were 18 wreaths designed by the advisories. We grossed \$590. All proceeds will benefit the PTCA.

Winter Fest:

The annual Winter Fest concert for the Elementary School was held for the again this year at Ebenezer Baptist Church. The rental fee of \$2,500 for the venue was donated by the PTCA. It was a wonderful evening and worth every penny!

Holiday Teacher Appreciation:

The ANCS PTCA elves are busy stuffing envelopes with holiday greetings and Target gift cards for faculty and staff of both ANCS campuses. The PTCA spent \$4,900 on these gifts. They will be delivered on Monday, December 20.
