

# FIRE BALL

10TH ANNUAL AUCTION BENEFITTING ANCS

## ANCS K - 5 Campus Auction Baskets 2013

Each grade level heads up a basket for this year's Fireball Auction on March 23<sup>rd</sup>. We would love participation from each parent on this endeavor. Each grade level representative has sent out information related to their basket and they welcome either items specifically geared towards the basket theme OR cash/check (made out to the basket coordinator) to be used towards the purchase of the items for their basket.

**\*Please note with the exception of the 5<sup>th</sup> grade basket, items and gift certificates you purchase as a family or with a group of families are greatly appreciated. Cash is always well received however if you have something to add that is not cash we will take it with gratitude. All donations must be in by 3:45pm Friday, March 15.**
