# Board Governance Policies Overview

All Governing Board members are responsible for reading and understanding the policies. These policies have been prepared to define procedures that affect the relationship between the Governing Board and the organization.

For matters covered by these policies, no person is authorized to deviate from these policies and any deviation must be approved in writing.

The Board of Atlanta Neighborhood Charter School may change these policies and procedures, in whole or in part, at any time upon a two-thirds majority vote.

Recognition of these rights and prerogatives of the organization is a term and condition of serving as a Board member.

## Review

Each policy lists the duration of the policy. In general, all policies should undergo a comprehensive review once every three years. All policies should be approved annually at the first public Board meeting of the year. Any proposed revisions to the policies may be submitted to the Board for discussion prior to approval.

## Publication

These policies are to remain in the public domain.

# Grievance Handling

## Purpose

This policy outlines how the Board will handle general grievances.

For grievances arising out of disciplinary matters, please see "Student Discipline" on page 1 and "Professional Conduct" in Personnel Policies.

## Duration

This policy is permanent, but it is subject to review to remain in accordance with policies as required by the Atlanta Board of Education.

## Policy

Any grievance at the school will fall into one of three primary categories:

<b>Category 1</b>	Complaints about a student, the classroom experience, or a teacher
<b>Category 2</b>	Complaints or concerns about a school-wide policy or administration
<b>Category 3</b>	Complaints or concerns about a parent/guardian or community member involved with the school

Where a grievance involves an issue arising in the classroom, parents/guardians should first seek to resolve the issue with the classroom teacher.

If resolution with the teacher is not feasible or the grievance involves a school-wide policy or another parent/guardian at the school, the parent/guardian pursuing the grievance should seek to resolve the issue with the Campus Principal. The Campus Principal should acknowledge the grievance via written response within 10 business days.

If resolution with the Campus Principal is not feasible or efforts to resolve the issue have been exhausted, then the parent/guardian should bring the grievance to the attention of the Executive Director. The Executive Director should acknowledge the grievance via written response within 10 business days. For Category 1, the Executive Director shall make the final determination.

For Categories 2 and 3 above, once all efforts to resolve a grievance have been exhausted with the school's staff and leadership, then a parent/guardian may bring a grievance to the attention of the Governing Board as follows:

- Any grievances should be made in writing via the grievance form on the school's website. This allows all parties involved to work from a consistent body of information.
- Generally, the Board will not address a grievance that is made anonymously, based on hearsay, or made on behalf of another family.
- Generally, the Board will not address a grievance where resolution has not been exhausted through the appropriate steps, listed above.
- ANCS may, at its discretion, notify individual school employees about grievances brought against them. Parents/guardians may, however, request that they not be personally identified as the party bringing the grievance.

For any grievance presented to the Board, a response via written letter will be sent within (30) thirty days of receipt of the grievance. The Board may delegate the review of a grievance to a member of members of the Board, legal counsel, or another designee at its discretion.

# Committees

## Purpose

This policy outlines the committee structure of the entire ANCS system. The intent of this policy is to create a system of checks and balances that outlines clearly where decisions are made and how reporting from the various committees is handled. Since the Board is the school's legal representative body and has final approval of all recommendations made by committees, sub-committees, and task forces, the structure of all committees must take into consideration the final authority of the Board.

The intention behind this policy is not to create an exhaustive reporting system but to instead ensure that decisions made in committees are supported and encouraged by Board action and that the legal and financial interests of ANCS are protected at all times.

## Duration

This policy is permanent, but it is subject to revision.

## Policy

See Article V of the Bylaws of Atlanta Neighborhood Charter School, Inc. for more information about the various committee structures.

ANCS maintains two main bodies that oversee committee work. These two bodies are:

- a. Governing Board-Based Committees – Overseen by the Governing Board
- b. School Community-Based Committees – Overseen by the PTCA

There are also faculty and student committees at ANCS.

The PTCA is chartered by the Governing Board and, as such, nominally reports to the Board.

## **Section 1. Approval of Committees**

Per the ANCS Bylaws, all Governing Board standing committees, sub-committees, and task forces must be confirmed by the Governing Board.

All School Community-Based Committees must be confirmed via resolution by the Governing Board via a yearly report from the PTCA.

## **Section 2. Publicizing Committee Meetings**

All Governing Board-Based Committees and School Community-Based Committees must publicize the date, time, and location of meetings via the web-based school calendar and/or monthly Board reports, or via any applicable announcements.

## **Section 3. Governing Board-Based Committees**

### **Standing Committees**

Governing Board-Based Committees are to be chaired by Governing Board members. The Board Chair is not permitted to chair a committee. Standing committees are outlined in the Bylaws.

### **Task Forces**

Task forces are created by the Governing Board to address specific projects or issues. Task forces are temporary; they are dissolved once the specific issue they were created for has been addressed. All task forces shall report to the Governing Board.

### **Sub-Committees**

Within each standing committee there is the potential to have sub-committees. For example, the Business Operations Committee might have a Technology sub-committee.

### **Guidelines for Board Sub-Committees**

- a. The Board Sub-Committees may be chaired by a Board member OR chaired by someone appointed by a Board member.
- b. If the Board Sub-Committee is chaired by someone appointed by the Board member, that appointment must be approved by a two-thirds vote of the Board.

## **Section 4. School Community-Based Committees**

School Community-Based Committees are sponsored through the PTCA and overseen by the PTCA Executive Board.

### **Guidelines for School Community-Based Committees**

- a. Committee chairs are named and overseen by the PTCA Executive Board.
- b. Committee chair provides leadership to the committee.
- c. Committee chairs serve one-year terms.
- d. The Executive Director serves as an ex officio (non-voting) committee member, as well as the liaison between School Community-Based Committees and the Board.

## **Section 5. Faculty and Student Committees and Task Forces**

### **Faculty Committees and Task Forces**

This includes the K-8 Task Force, grade-level committees, and any committees working on specific issues related to faculty concerns.

### **Student Committees**

This includes student government and activity-type committees, such as band boosters or athletics.

### **Guidelines for Faculty and Student Committees and Task Forces**

- a. Committee chairs are overseen by the Executive Director and/or each Campus Principal as applicable.
- b. The Executive Director reports on the ongoing activities of these committees in the monthly Executive Director report.
- c. The expectation is that these committees will prepare a report for the Board at least once per year updating their major initiatives and progress and that the committee chair or a representative from the committee will deliver this report in person.
- d. Any decisions made in these committees that will impact the entire school community or a majority of the school community at either campus must come before the Board as a resolution seeking the Board's support of the decision/recommendation. The Executive Director and Board Chair will make this determination.

Our ANCS Guiding Principles are used to guide the decision-making process at ANCS:

  - iii. We balance the need for efficient decision-making with the need to solve problems collectively and cooperatively.

### Section 3. Decision-Making

- a. In general, the appropriate decision-making body for a particular issue or proposal will be guided by the principles for decision-making at ANCS and, as appropriate, will:
  - i. Outline a process that includes gathering input from those individuals and/or groups impacted by the decision.
  - ii. Specify a timeline by which a decision will be made.
- b. In some rare instances where time is of the essence, it may be necessary to make a decision on an issue without gathering input.

- c. The Executive Director and Governing Board Chair will determine which decision-making body should address a particular issue or proposal if it is unclear to whom the issue should go.
- d. Unless otherwise specified by the decision-making body, decisions should stand for at least three months before changes can be proposed.

## Section 4. Input

- a. Some decisions at our school will impact all (or most) of the students, families, and/or faculty/staff at one or both of our campuses. Examples of such decisions might include the adoption of our school's annual budget, approval of the yearly school calendar, or the employee leave policy. For these decisions, the Executive Director and Board Chair will consult with the Campus Principals and PTCA President about the process for gathering input from those groups most likely to be impacted by the decision. The process and timeline for gathering input along with key background information on the matter to be decided upon will be explained and communicated to impacted groups through a variety of means, such as the following:
  - i. Courier
  - ii. Email and phone messaging system
  - iii. Website and social media
- b. The actual gathering of input should also involve multiple avenues in order to give everyone in impacted groups an opportunity to express their opinion. Those avenues for gathering input and feedback can include (but do not need to be limited to) the following:
  - i. Anonymous surveys
  - ii. PTCA meetings and/or separate community meetings
  - iii. Focus groups
- c. A summary of the feedback gathered should be presented along with the final recommendation to the appropriate decision-making body.

# Meetings of the Governing Board

## Purpose

The adoption of this policy is to ensure majority rule; protect the rights of the minority, the absentees, and individual members; provide order, fairness, and decorum; facilitate the transaction of business; and expedite meetings.

## Duration

This policy is permanent, but it is subject to revision each year by the Board Chair.

## Policy

### Section 1. Public Notification of Meetings

The public must be given at least 24 hours' notice of Board meetings and Committee meetings consistent with Georgia Open Meetings laws. Such meetings will also be publicized via the school calendar.

### Section 2. Development of the Meeting Agenda and Reports

- a. The development of the agenda is the responsibility of the Board Chair.
- b. The Executive Director should be consulted in the development of the agenda.
- c. Prior to the meeting the agenda and all reports are posted to the school website.

### Section 3. Use of Simplified Parliamentary Procedure

The Board follows a simplified version of Robert's Rules of Order.

#### Basic Principles

- a. All members have equal rights, privileges, and obligations.
- b. A quorum must be present for the group to act.
- c. Full and free discussion of every first motion is a basic right.
- d. Only one question at a time may be considered, and only one person may have the floor at any one time.

- e. Members have a right to know what the immediately pending question is and to have it restated before a vote is taken.
- f. Generally, no member should speak more than twice on each motion or until all other members have had a chance to speak, with a total of a 10-minute limit. Generally, the Chair should let the floor alternate between those speaking in support of and those speaking in opposition to the motion.
- g. 7. Members shall confine their remarks to the issues under consideration. Personal remarks are always out of order.
- h. A majority decides a question except when basic rights of members are involved. (A two-thirds vote is required for any motion that deprives a member of rights in any way, like cutting off debate.)
- i. Silence gives consent. Those who do not vote allow the decision to be made by those who do vote.
- j. The Chair should always remain impartial.

### How the Board Adopts a Motion

In simplified version, a "second" is not needed in order to move a motion to a vote.

- a. Presentation made of an issue policy, procedure, contract, etc.
- b. Motion made to approve or table
- c. Second is made
- d. The Chair states that the question ("It is moved and seconded...")
- e. Discussion among the Board
- f. Vote

## Common Motions to be Used

<b>Motion</b>	To introduce a new piece of business or propose a decision or action, a motion must be made by a group member ("I move that..."). After limited discussion, the group then votes on the motion.
<b>Friendly Amendment</b>	This is the process used to change a motion under consideration. Perhaps you like the idea proposed but not exactly as offered. Raise your hand and make the following motion: "I move to amend the motion on the floor." If the person who made the original motion agrees with the suggested changes, the amended motion may be voted on without a separate vote to approve the amendment.
<b>Move to Committee</b>	This is used to place a motion in committee when an issue appears to not have easy resolution or more research is needed before action can be taken. A majority vote must rule to carry it. If an appropriate committee exists, the motion goes to that committee. If not, a new committee is established. The Chair will note when findings from the committee must be returned to the Board. The Secretary notes in the minutes when the committee should present and when the motion should be back on the agenda.
<b>Question</b>	To end a debate immediately, the question is called (say "I call the question") and needs a "second." A vote is held immediately (no further discussion is allowed). A two-thirds vote is required for passage. If it is passed, the motion on the floor is voted on immediately.
<b>Table</b>	To table a discussion is to lay aside the business at hand in such a manner that it will be considered later in the meeting or at another time ("I make a motion to table this discussion until the next meeting. In the meantime, we will get more information so we can better discuss the issue.") A majority vote is required to table the item being discussed. This motion is similar to Move to Committee.
<b>Adjourn</b>	A motion is made to end the meeting. A majority vote is then required for the meeting to be adjourned (ended).

## Section 4. Meeting Minutes

The ANCS Board has opted to go beyond the basics and include additional items that represent a factual record of business. For example, the minutes give a summary of a discussion and provide a more complete picture of the meeting. This is helpful to members who could not attend the meeting and to those looking back at the historical record of the organization. Summaries should be balanced and include major opposing viewpoints, even if they are not adopted.

Per the ANCS Bylaws, the minutes may be taken by someone appointed by the Board in order to allow the Secretary to participate in the meeting. The Secretary maintains responsibility for the minutes even if they are taken by an appointee.

### **The minutes should not include the following:**

- a. Opinions or judgments like "a well-done report" or "a heated discussion."
- b. Criticisms or accolades, unless thanks or expressions of appreciation were clearly the consensus of all the meeting participants.
- c. Extended rehashing of reports should not be included. Just hit the highlights or key facts, particularly if a written report is attached.

### **Approval and Adoption of Minutes**

- a. The minutes are presented to the Board at the following Board meeting for approval.
- b. Minutes may be sent out to the Board members prior to the meeting via email or other method to expedite the review of and vote on the minutes.
- c. After the Board minutes have been approved, they are to be filed in the minutes notebook maintained in the Main Office or other central location of the school, such as on the school website.
- d. The agenda and Executive Director's report for the meeting should be filed with the minutes.
- e. It is the responsibility of the Secretary to maintain, file, and post the minutes.

### **Section 5. Public Comment**

Everyone in the community is welcome to attend the monthly ANCS Board meetings. At each and every in-person meeting, the Board members will be seated around a primary conference table. Any guests and other members of the community will be invited to sit in designated areas around the room. The Board may conduct meetings via teleconference or videoconferencing technology in accordance with the Georgia Open Meetings Law.

For those community members who have a specific issue that they wish to be addressed by the Board, they may submit to the Board Chair in writing an outline of their issues or concerns two (2) weeks before the next scheduled Board meeting. Such advance notice will give the Board Chair flexibility to reserve time on the agenda and prepare for discussion of any concerns raised by the community members.

For any concerns that are raised much closer to the next Board meeting, community members should submit to the Board Chair a request in writing at least 24 hours prior to the meeting.

In both cases where advance written notice is provided, the Board Chair will have the discretion to determine whether the issue presented may be better resolved by having it first addressed by the Executive Director and/or Campus Principals or an existing Board committee.

If the issue presented will be afforded time on the agenda for an upcoming Board meeting, notice will be given to the community member at least 24 hours in advance.

Where advance notice is not able to be given in a timely manner, any member of the community is welcome to speak at the monthly Board meetings during the "public comment" portion of the agenda, which is usually scheduled toward the first part of the meeting; however, the Chair may move public comment to a different place on the agenda when appropriate. If numerous members of the public indicate a desire to speak on a subject, the Chair may limit the time of each public speaker. In such instances, the Board reserves the right to withhold any discussion of the issue immediately. In lieu of any immediate discussion, however, the Board will respond in a timely manner to the concerns of the community member who made the request. The Board Chair will also have the discretion to include continued public discussion of the issues presented at a later monthly Board meeting.

## **Section 6. Executive Committee Meetings**

**Executive Committee meetings** are held to conduct routine business in between regular Board meetings.

- a. The Executive Committee is authorized to take a binding vote and must report its action to the Governing Board at the next Board meeting.
- b. Decisions made by the Executive Committee do not require a vote of affirmation by the full Board.
- c. However, decisions of the Executive Committee may be overruled by the full Board.

## **Section 7. Executive Session**

**Executive Session** may be entered into by the Board to discuss permissible matters under Georgia's Open Meetings laws, including certain legal, real estate, disposition of property, personnel issues, and to interview a candidate for Executive Director, or to discuss records exempt from disclosure.

- a. Chair makes a motion to go into Executive Session to discuss an appropriate topic from the list above.
- b. Discussion is confidential and must stay relevant to the topic.
- c. No votes may be taken.

- d. Staff members of the Board may be excused from the discussions during Executive Session if conflict is possible due to personnel discussions; however, they should return after Executive Session so they may be present for the vote on any issues.
- e. Minutes are to be taken by the Secretary and filed in the Secretary's records with a copy given to the Chair. These minutes are not to be public unless required by law.
- f. Motion is made to exit Executive Session.
- g. Vote is taken outside of Executive Session.

# School Community Communications

## Purpose

This policy describes how the ANCS Governing Board manages communications with the larger ANCS community.

## Duration

This policy is permanent.

## Policy

Communication with the Board is encouraged in several different ways.

- All parents/guardians, staff, and community members are invited to attend the monthly meetings of the Board. These meetings are open, and anyone interested may attend. The agenda for the meetings is posted on the school website no later than 24 hours before the meeting.
- A period of public comment is included at each Board meeting.
- Letters sharing concerns may be sent to the Board by one of the following methods:
  - Via email to the Board chairperson or a member of the Executive Committee.
  - Via mail addressed to the attention of the Board chairperson at the school.
  - By hand, placed in the Board chairperson's box in the Parent Room at the Elementary Campus.

Letters may be read at the next Board meeting. The same procedure is followed for any letter received. Parents/guardians should always feel free to identify themselves if the issue is of a serious nature that requires follow-up. Unsigned (anonymous) letters may or may not be presented depending on the appropriateness of the content.

It is the desire of the Board to have open, effective communication with the school community. Families should feel comfortable and not fear retaliation for expressing their concerns. Constructive criticism is always welcome. We ask that persons submitting concerns that call for action be prepared to assist with the solution where possible. We are a Board of parents, faculty, and community members and will make every effort to address concerns.

# Succession Plan

## Purpose

The ANCS Governing Board of Directors has the responsibility to ensure that the school's executive leadership is in place, and that a plan is created to guide the school through times of planned and unplanned leadership transition. This policy is intended to provide the framework for an annual process of leadership succession planning that ensures that emergency succession and departure-defined succession plans are in place and regularly reviewed.

## Duration

This process of review and approval should occur by September 30 each year.

## Policy

On an annual basis, the board's Governance Committee and Executive Director will review both the emergency and departure-defined succession plans originally created in 2017. The committee will present updated plans to the full board for approval. Upon approval, both the board chair and Executive Director will sign copies of the plans and the plans will be stored both electronically in the school's shared drive and in hard copy in the business office.
