The Assignments you will be working on are:

1. 5th Grade Diagnostic. When you finish, it will tell you that you're done. Your Diagnostic needs to be **complete** by **Sunday JUNE 9th**.
2. Skills assigned by Mr. Heacock. For each skill, review the lesson/video, the flash cards, and then complete the practice.
  - for each skill, your goal is to earn 70% on the practice quiz. If you run into a challenging skill, do the best that you can and only try the quiz **twice**. Send Mr. Heacock a message in Google Classroom if you tried twice and were not able to earn 70%
  - make sure that you complete the practice/lesson before taking the test!
